# 31L

Kingtchen Microwave Oven with Steam & Grill

## M31DX-YF01

### Features

- ▲ 304 stainless steel one-piece inner
- ▲ Glass-ceramic bottom plate
- ▲ 3 shelves
- ▲ Concealed steam generator
- ▲ 1.3L independent water tank
- ▲ LED display with multi-function knob
- ▲ 3-layer glass door
- ▲ Safety door
- ▲ Convection fan

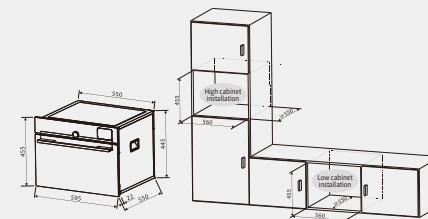

### Specifications

- Steam, Grill, Microwave, Microwave&steam, Microwave&grill, grill&steam, Soup
- Proof, Defrost, Yogurt, Fast heat, steam clean, drying, Keep warm
- 53 Auto menu

### Dimension

- Product: W595xH455xD550mm
- Package: W670xH580xD655mm
- Loading(20'/40'/40HQ): 96/216/216

### Installation dimensions

# 25L

Elfinor Multifunctional Oven with Steam

1 for 8

Grill mode  
120°C-230°C

oven

Air Fryer

Toaster

Fruit dryer

Steam mode  
60°C-110°C

Steamer

Stewpot

Rice  
cooker

Defrost

## Features

- ▲ Smart multifunctional oven with steam
- ▲ Intelligent menu
- ▲ 25L capacity
- ▲ Delay function
- ▲ Two layers of Low-E glass, stainless steel cavity
- ▲ LED lamp
- ▲ Independent water tank
- ▲ Hiding heater
- ▲ Door switch

### Independent water tank

No need to open door during cooking to filling water

### The integrated door/hidden heat element

More easier for cleaning

### Micro switch

stop working when open the door, save energy

### S25DB-A

#### Features

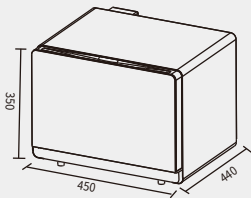

- ▲ 304SS one-piece cavity
- ▲ 1L Independent water tank
- ▲ LED display
- ▲ 3-layer glass door
- ▲ Automatically preheat
- ▲ Back heater
- ▲ Convection fan

#### Specifications

- Steam, 3D Grill, Tender grill,
- Proof, Defrost, Yogurt, Dehydration, Steam clean
- 20 Auto menu
- 1-10h delay start

#### Dimensions

- Product: W450xH350xD440mm
- Package: W530xH440xD530mm
- Loading(20'/40'/40HQ): 200/440/528

### S25DB-TYA01

#### Features

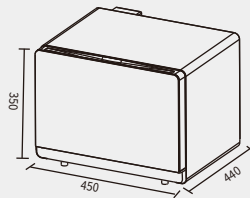

- ▲ 304SS one-piece cavity
- ▲ 1L Independent water tank
- ▲ LED display
- ▲ 3-layer glass door
- ▲ Automatically preheat
- ▲ Back heater
- ▲ Convection fan

#### Specifications

- Steam, 3D Grill, Tender grill,
- Proof, Defrost, Yogurt, Dehydration, Steam clean
- 45 Auto menu
- 1-10h delay start

#### Dimensions

- Product: W450xH350xD440mm
- Package: W530xH440xD530mm
- Loading(20'/40'/40HQ): 200/440/528

### S25EB-C

#### Features

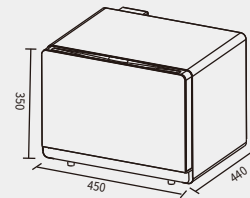

- ▲ 304SS one-piece cavity
- ▲ 1L Independent water tank
- ▲ LED display
- ▲ 3-layer glass door
- ▲ Automatically preheat
- ▲ Back heater
- ▲ Convection fan

#### Specifications

- Steam, 3D Grill, Tender grill,
- Proof, Defrost, Yogurt, Dehydration, Steam clean
- 20 Auto menu
- 1-10h delay start

#### Dimensions

- Product: W450xH350xD440mm
- Package: W530xH440xD530mm
- Loading(20'/40'/40HQ): 200/440/528

### S25EV-A

#### Features

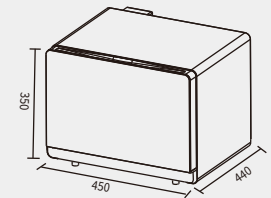

- ▲ 304SS one-piece cavity
- ▲ 1L Independent water tank
- ▲ LED display
- ▲ Full touch control
- ▲ 3-layer glass door
- ▲ Automatically preheat
- ▲ Upper+Lower+Back heaters
- ▲ Convection fan

#### Specifications

- Steam, 3D Grill, Tender grill, Upper+Lower grill
- Air fryer
- Proof, Defrost, Yogurt, Dehydration, Keep warm, Steam clean
- 100 Auto menu
- 1-10h delay start
- Child lock

#### Dimensions

- Product: W450xH350xD440mm
- Package: W530xH440xD530mm
- Loading(20'/40'/40HQ): 200/440/528

Simple baking, make unlimited fun

# 34L

Escoffy Oven with Steam

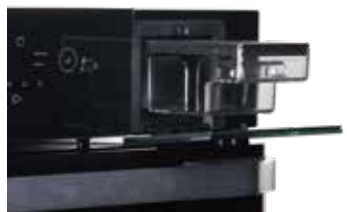

## Advantages

- ▲ 8 intelligent menu
- ▲ 4 cooking mode
- ▲ Steam Cleaning
- ▲ 34L capacity
- ▲ 304Stainless steel cavity, easy to clean

## Features

- ① Child lock
- ② 1L Dischargeable water tank
- ③ Interior LED light
- ④ Front high efficiency heat dissipation system to protect kitchenware
- ⑤ 3-layer galss with Low-E insulation film on inner one

## S34EX-A

### Features

- ▲ 304 one-piece cavity
- ▲ Consealled steam generator
- ▲ 1.0L Independent water tank
- ▲ Touch control with LED display
- ▲ 3-layer glass door
- ▲ Removable glass door
- ▲ Upper+ back heaters
- ▲ Convection fan

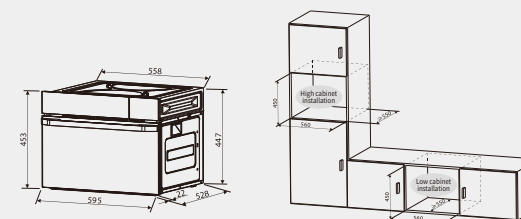

### Cooking programs and functions

- Steam, Grill
- Stea clean, Proof, Defrost
- Child-lock

### Dimensions

- Product: W595xH453xD528mm
- Package: W685xH535xD640mm
- Loading(20'/40'/40HQ): 108/216/270

### Installation dimensions

# 43L

Jane Oven with Steam

## Advantages

- ▲ 68 intelligent menu
- ▲ 3 steam mode and 8 grill mode
- ▲ Steam Cleaning
- ▲ 43L capacity
- ▲ 304 Stainless steel cavity easy to clean
- Intelligent child lock
- 1L Dischargeable water tank
- Interior LED light
- Front high efficiency heat dissipation system to protect kitchenware
- 3-layer glass with Low-E insulation film on inner one

## S43EF-A

### Features

- ▲ 304SS one-piece cavity
- ▲ 1L Independent water tank
- ▲ LED display
- ▲ Full touch control
- ▲ 3-layer glass door
- ▲ Automatically preheat
- ▲ Upper + Bottom heater
- ▲ Convection fan

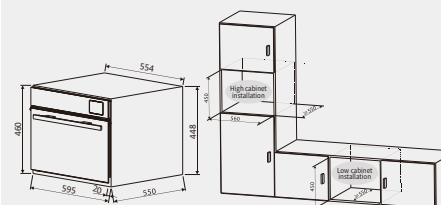

### Specifications

- 3 Steam modes
- 6 Grill modes
- Proof, Defrost, Yogurt, Steam clean
- 48 Auto menu
- 1-10h delay start
- Child-lock

### Dimensions

- Package: W650xH520xD670mm
- Loading(20'/40'/40HQ): 96/216/216

### Installation dimensions

## S43DQ-A

### Features

- ▲ 304SS one-piece cavity
- ▲ 1.3L Independent water tank
- ▲ LED display
- ▲ Touch control with multi-function
- ▲ 3-layer glass door
- ▲ Automatically preheat
- ▲ Upper + Bottom + Back heater
- ▲ Convection fan

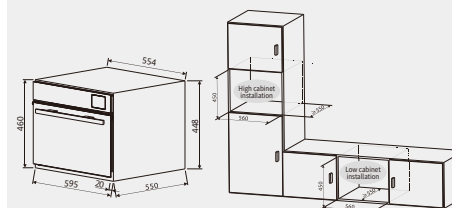

### Specifications

- 3 Steam modes
- 4 Grill modes
- Tender grill
- Proof, Defrost, Yogurt, Keep warm, Steam clean
- 48 Auto menu
- 24h delay start
- Child-lock

### Dimensions

- Product: W595xH455xD555mm
- Package: W650xH520xD670mm
- Loading(20'/40'/40HQ): 81/162/216

### Installation dimensions

# 47L

Jane Oven with Steam

Multiple functions in one machine  
complete in one stop

## Advantages

- Enamel one-piece cavity
- Extended inner temp probe, more accurate temperature control, more uniform temperature field
- Concealed steam generator, precise control of steam volume
- Touch control panel
- Easy removable door glass
- 47L capacity

## Steam

- ① 110°C steam
- ② Directly steam technology, concealed steam system to avoid scale in cavity
- ③ High temperature steam help to soften grease in cavity and clean it easily

## Grill

- ① 3D interactive heating technology, upper, bottom and back heater with fan ensure
- ② Food heated evenly

- Intelligent child lock
- 1L Dischargeable water tank
- Interior LED light
- Front high efficiency heat dissipation system to protect kitchenware
- 3-layer galss with Low-E insulation film on inner one

### S47EQ-A

#### Features

- ▲ Enamel one piece inner
- ▲ Extended inner temp probe
- ▲ Concealed steam generator
- ▲ 1.3L independent water tank
- ▲ Touch control panle
- ▲ 3 glass door and inner with LOW-E
- ▲ Easy removable door glass
- ▲ Upper+bottom+back heaters
- ▲ Convection fan

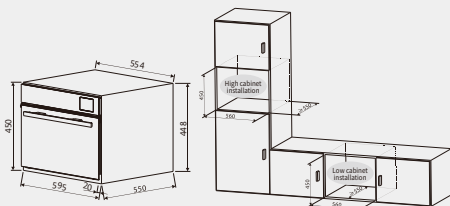

#### Specifications

- Steam, 8 grill modes, tender grill
- Keep warm, Sterilization, Drying, Ferment, Defrost, Yogurt, Steam clean
- 68 smart recipes
- Lamp
- Child-Lock
- 24h Delay start

#### Dimensions

# 66L

Sayes Oven with Steam

## Advantages

- ▲ One piece enamel cavity;
- ▲ Extended inner temp probe, more accurate temperature control, more uniform temperature field;
- ▲ Concealed steam generator with direct steam technology precise control of steam volume;
- ▲ Instant freshness locking technology, extremely fast to lock fresh, original taste;
- ▲ Bottom concealed heater, not only help to keep a more uniform temperature, but also help to dry the condenser water during working;
- ▲ Varies recipes help to cook easily.

## Combined steaming and grilling

Steaming and grilling combination, healthy collocation, one oven but various cooking functions improve your quality of life; With a large capacity of 66L, you can cook more food at a time.

## Features

- 1L independent water tank, fill in water conveniently;
- Interior halogen lamp, help to check food;
- Front cooling system, help to protect the cabinet;
- 3-layer glass door and inner with LOW-E to keep heat inside efficiently
- Easy removable door glass;
- Steam clean, help to cleaning easily;

## S66EQ-B

### Features

- ▲ Enamel one piece inner
- ▲ Extended inner temp probe,
- ▲ Concealed steam generator
- ▲ 1.3L independent water tank
- ▲ Touch control panel
- ▲ 3 glass door and inner with LOW-E
- ▲ 4 heaters & convection fan
- ▲ Air fryer function is optional
- ▲ Cavity with hanger is optional

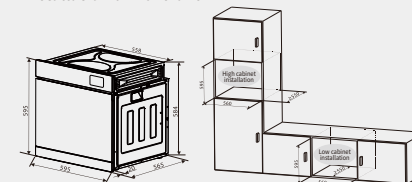

### Specifications

- Steam
- 8 grill modes
- Tender grill
- Keep warm, Sterilization, Drying, Ferment, Defrost, Yogurt, Steam clean
- 68 smart recipes
- Lamp
- Child-Lock
- Delay

### Dimensions

- Control panel: Touch
- Filter: SS baffle filter
- Pipe: 1\*Aluminum pipe, Ø185mm x 1.8m
- 220V-240V 50Hz 245W
- LED light: 1\*5W
- Air outlet diameter: Ø 185 mm
- Chimney: 1\*400mm steel
- Motor: DC sealed copper motor\*1
- Noise: 70dB

#### Specifications

- Air flow: 1020m3/h

#### Dimensions

- 900mm  
product: W895xH550xD505mm  
package: W945xH620xD575mm  
Loading(40HQ):200

S301

#### Features

- Width: 700mm
- Panel material: Glass
- Body material: Steel
- 3 speed (Intensive, normal, min)
- Control panel: Touch and Gesture
- Filter: SS baffle filter/ Aluminum filter
- Pipe: 1\*Aluminum pipe, Ø180mm x 1.5m
- 220V-240V 50Hz 280W
- LED light: 1.5W
- Air outlet diameter: Ø 185 mm
- Chimney: 1\*400mm Steel
- Motor: AC copper motor\*1 205W
- Noise: 55dB
- Carton filter is optional

#### Specifications

- Air flow: 600m3/h

#### Dimensions

- Product: W700xH514xD320mm
- Package: W810xH578xD475mm
- Loading(40HQ):224

## A500

### Features

- ▲ Water filter with RO, 600G
- ▲ Quick heat system, 3S
- ▲ Cold water
- ▲ Soda water
- ▲ Huayi Compressor
- ▲ Slide guide, easy for replace filters and Co2 tank
- ▲ Color display, touch control
- ▲ Glass panel, 304ss front plate
- ▲ Child Lock

### Specifications

- 7 Programs: 100°C, 85°C, 60°C, 45°C, cold water, Soda water
- Water volume: 250ml, 500ml, 750ml
- Filters: VPC, RO
- Water flow rate: 1.5L/min
- Heat rate: 20L/h
- Cooling rate: 5L/h (will take around 20mins cool water from 25°C to 2°C)
- Cooling water tank : 1.8L

### Dimensions

- Product : W595xH455xD525mm
- Package : W720xH575xD650mm
- Installation: W565xH455xD510mm
- Loading( 20' /40' /40HQ): 81/162/216
